

# IPOKRATES

## Clinical Seminar

In Cooperation with Perinatal Society of Malaysia

## Neonatal Nutrition and Gastroenterology

### OBJECTIVES

IPOKRATES seminars provide high-quality postgraduate education that enable professionals to keep abreast of the most recent developments, and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar deals with the understanding and management of gastro-intestinal disorders and nutritional care problems, mainly in pretermes.

### LECTURERS

Greer F	University of Wisconsin, Perinatal Center, Meriter Hospital, Madison, USA
